

Lockton Government Relations

Helping employers navigate health
and retirement policy

The Government Relations practice exists to leverage Lockton's worldwide influence and industry expertise to educate policymakers and promote public policies that benefit employer-sponsored health and retirement plans.

WHAT WE DO FOR CLIENTS:

Lockton's political insiders cut through the constant political noise, address policy concerns and advocate for clients in Washington, DC.

Contact a member of Lockton Government Relations or your
Lockton account team for more information.

Lockton Government Relations Associates:

- Participate in hundreds of meetings each year with lawmakers, regulators and agency officials.
- Hold education sessions for members of Congress and their staffs.
- Comment on proposed regulatory changes.
- Work with industry groups to build coalitions that get things done.
